

Infinity scarf project

Instructions

Instructions can be found at <http://www.craftsy.com/blog/2014/11/how-to-sew-an-infinity-scarf/>. As of 12/14/15 there is no advertising on this website other than a request to create a free, optional account with craftsy.

Materials

- Sewing maker box including sewing machines and hand sewing needles.
- A piece of fabric approximately **24" wide x 60" long** for your project. (3/4 yard of 60"-wide fabric will make one scarf, or 1-3/4 yards of 42"-wide fabric will make two scarves.) See instructions for suitable fabric types.

Marketing

You and your family can take a break during the winter holiday to enjoy some crafting and sewing fun! From 10 a.m. - 1 p.m. and 2 - 4 p.m. come to the library to make a winter sock friend and/or sew an infinity scarf. Don't worry if you've never sewn or crafted before; librarians Meredith and Abby will be here to help you!

Infinity Scarf

- While all ages are welcome to work on a scarf independently or with a volunteer, you should have the patience and interest to spend as much time as needed to complete the project.
- We'll be using [this pattern](#) from Craftsy.
- The library will have some fabric on hand also, but the supply and styles are limited.
- You can provide a piece of fabric approximately **24" wide x 60" long** for your project. (3/4 yard of 60"-wide fabric will make one scarf, or 1-3/4 yards of 42"-wide fabric will make two scarves.)
- The library will have sewing machines, thread, and other notions on hand.
- Choose light to medium weight woven fabrics, such as chambray, cotton, flannel, lawn, gauze, linen, or terry, depending on how floaty or warm you want your scarf to be, or light or medium knits like jersey (T-shirt fabric), double knits, or ponte. (The sample that Meredith is wearing was made from a single-knit rayon.)

Reservations for this event are appreciated, but not required. If you are interested in volunteering to help with this event please speak to a librarian or call the library at 715-467-4636.
